

5 Eligibility & Requirements

5.1 Bachelor-degree applicants

1. Applicants must be non-Chinese citizens above 18 with a valid foreign passport and good health condition.

2. Senior high school graduates or above.

3. Language Requirements:

a. For English-taught programs, the language proficiency requirement of IELTS 5.5 (academic module) or TOFEL (IBT) 70 or equivalent level tested by the university is required for applicants whose official language is not English. If applicant's senior high school programs are of English medium, the above language requirement is waived, provided an official teaching language certification is offered.

b. For Chinese-taught programs, Chinese language proficiency requirement of new HSK4.

5.2 Master-degree applicants

1. Applicants must be non-Chinese citizens above 18 with a valid foreign passport and good health condition.

2. Holders of bachelor degree or above.

3. Language Requirements:

a. For English-taught programs, the language proficiency requirement of IELTS 6.0 (academic module) or TOFEL (IBT) 80 or equivalent level tested by the university is required for applicants whose official language is not English. If applicant's senior high school programs are of English medium, the above language requirement is waived, provided an official teaching language certification is offered.

b. For Chinese-taught programs, language proficiency requirement of new HSK4 or old HSK 5 or equivalent level tested by the university is required.

4. Applicants who want to apply for the programs of Science and Engineering should have the relevant academic background.

5.3 Doctor-degree applicants

1. Applicants must be non-Chinese citizens above 18 with a valid foreign passport and good health condition.
2. Holders of master degree or above.
3. Applicants should meet one of the following language proficiency requirements:
 - a. IELTS 6.5 (academic module) or TOFEL (IBT) 90 or equivalent level tested by the university is required for applicants whose official language is not English. If applicant's programs for the highest diploma are of English medium, the above language requirement is waived, provided an official teaching language certification is offered.
 - b. New HSK4 or former HSK5 or equivalent level tested by the university is required.
