安徽工业大学 2017-2018 年交换生项目

2017-2018 Student Exchange Programs for Int'l Students

1. Introduction to Anhui University of Technology

Anhui University of Technology (AHUT) was founded in 1958. Its main focus is on engineering programs; at the same time, it offers well developed programs in science, humanities, economics, management, law and arts.

The university is located in Ma'anshan, Anhui Province, a "National Garden City" with a convenient transportation to Nanjing(18 mins) and Shanghai (120 mins) by high speed trains. Ma'anshan stands by the Yangtze River, the longest river in China, full of natural and cultural heritages, while iron and steel industry breeds its modern development.

AHUT is a key institution of higher learning in Anhui Province, one of the 100 key universities in central and western China with priority support from the Chinese Ministry of Education (MOE), and also a higher institution implementing MOE's "Outstanding Engineering Education Project".

AHUT consists of 2 campuses, covering a total area of 1.64 million square meters. The university has 17 schools with 74 bachelor-degree programs, 59 master-degree programs, and 6 doctor-degree programs. The university has 20,000 full-time undergraduates and 2,300 full-time graduates, including international students.
